## Oceania™

• Your clear choice  
for a unique  
pool experience!

# ❖ Oceania™

Enjoy water that's crystal-clear, soothing and salted! Oceania has a resin structure that can be combined with any salt chlorination system: a bold, new breed of aboveground pool!

## Advantages you can clearly "sea"!

The Oceania offers an incomparable swimming experience, with an ocean of benefits:

- A crystal-clear pool without a chlorine smell
- A breeze to maintain
- Soft, silky water thanks to salinity close to that of the human body
- Water that's gentle on the eyes, skin and swimsuits!
- No need for additional sanitizers

## ❖ Oceania™ — Mistral 54" (1.37 m)

The Oceania is a sturdy pool with a 100% corrosion-proof resin structure – even the joiner plates and wall channels are made from this rugged material. It's perfectly compatible with any salt chlorination system with absolutely none of the possible corrosion risks that come with steel-and-salt combinations. Vogue has ensured that metal never comes in contact with the water, making the Oceania a long-lasting piece of summer paradise!

## ❖ corrosion-proof components

### ❖ resin top ledge and integrated wall channel

- Oversized center for greater support
- Integrated ledge cover
- No-rocking construction

### ❖ screwless blow-molded upright

- A screwless system\* that's built to last
- "Elephant leg" design
- Durable and attractive

### ❖ resin bottom wall channel

- Rustproof rail and built-in drainage slot prevent wall corrosion
- Smooth, undulated shape increases pool strength
- Built-in wall clip system increases wall stability against shifting ground

### ❖ Quick-Lock™ system – 100% resin

- Revolutionary screwless system – absolutely no metal comes in contact with water
- Ultra-resistant nylon parts
- Patented\* system unique to Vogue
- Astonishingly easy to install

### ❖ resin slide-in joiner plate

- Nylon construction (ultra-resistant resin)
- Smooth, quick installation into upright

### ❖ y.e.s. – yard extender system

Invisible lateral supports on oval models let you make the most of your yard – and your pool!

Oval pool with invisible supports

**VOGUE** | WORLD-RENOWNED INNOVATIVE ABOVEGROUND POOLS

**Trendium Pool Products Inc.**

**You can enjoy all the fun summer has to offer when you combine a Vogue Oceania pool and a salt chlorination system!**

The purchase of an aboveground pool provides years of pleasure and fun, but it also involves water safety. Although we cannot supply a full-time lifeguard, we strongly recommend that you implement the following safety rules. These will help provide a pleasant atmosphere for you and your family.

- NEVER jump or dive in an aboveground pool.
  - Maintain constant adult supervision when children are in or near any body of water.
  - Read all of the safety, installation and maintenance information contained in your pool's instruction manual and Water Safety brochure before you start installing your pool.
  - Ask your city about any specific rules and regulations that apply to aboveground pools.
  - Follow your instruction manual and maintenance instructions.
  - Never remove applied or posted safety stickers or signs from your pool or pool area.
  - Barriers to prevent unsupervised access, especially by young children, should be built, installed and checked on a regular basis to ensure they are in good working order.
- Inspect your pool, barriers, alarms, and other related equipment on a regular basis in order to ensure they are in good working order and that they are safe.

Your pool's installation, maintenance and safety manuals contain detailed tips and recommendations. They must be read, followed and applied on a regular basis, as they will prevent unnecessary accidents and will ensure many summers of pleasant and safe family fun.

1. U.S. Patent 6,421,846 and other United States patents pending, international applications designating Canada, France and other countries pending.
2. For round structures only.
